

## Tullos news — end of session

Wow what a quick and amazing year. I can't believe we are already at the end of term with only 5 weeks to go! I would like to thank all of you for the support you have given to the school over the year.

Below are some of the events that will be happening in the next 4 weeks and more information will be coming. It's busy!

Beth Leitch

The School Improvement Plan was shared at the Parent Council and the final plan will be displayed in the school by the end of term.

### MEET YOUR TEACHER

This session we are planning a new event where you and your child can meet the new teacher and see the classroom your child will be in next session. This will be on 19 June between 3.15 and 4pm.

Simply meet your child in the playground and they will take you to their new classroom where their new teacher will be there to meet you and introduce themselves. Any new members of staff may not be present but you will know this before the event.
