

Tullos news — session 2019-20

Welcome back everyone. What a wonderful summer we have had and hopefully this term will remain sunny and hot so we can all engage in outdoor learning so don't forget to put on sun cream in the morning.

House weeks

This year all Houses are allocated a week. During this week the pupils celebrate their house and raise money for school funds and charity. St Fitticks kick off next week with their fund raising efforts with different activities throughout the week.

Children will be told about it on Thursdays assembly and there will be more information following.

Tullos Team

This session we are delighted to welcome some new teachers to Tullos.

P1 Miss Elmhirst

P3 Miss Davies

P5 Ms Denis

P6 Mr DaRocha

2019-20 dates for your diary

- ◆ 23rd Dec—5th Jan—Festive holidays

Change of date—In May we now have an inset day on Thursday 7th May and a holiday on 8th May.

All school holidays are on the Aberdeen City website and you will find a link on our school website.

School Improvement

Our School Improvement Plan will be on the website. This year we have made easy to read posters to share our journey with everyone. We have 5 priorities with Literacy, Numeracy and HWB forefront to our plans with learning and teaching being a huge focus this year. The Nursery are included in all our plans but also have their own plan. If you want to be more involved or know more come along to our Tullos Parent Voice meetings. You will find more info on their Facebook page.

Open afternoons

We are looking forward to seeing you at our open afternoons where you can meet the teachers and have a look around.

We will also have David in the Family Room who wants to share the Victoria Road Site plans. Drop in for a cup of tea and a chat.

Team Tullos News

Team Tullos starts back next week and again we have a full timetable of activities. We have a new AFC coach (also called David) taking football sessions on Thursdays. We will be encouraging our older pupils to be independent and sign in to activities in the morning. Fitness Friday continues with pupils allowed to wear their sports gear to school if they take part in one of the many activities.

This session we are hoping to also include an adult session with a diet club—watch this space!

Our first trip is on Sunday 6th Oct and to be eligible to come pupils have to attend at least one session a week.

Also for members of Team Tullos we will be having a Festive Celebration Event on 13th Dec.

Don't forget P4—7s are able to come to after school sessions without an adult but we really want parents/carers and families to join up too.

	Morning	Break	Lunch	After school
Monday				Circuits in the gym
Tuesday			Hayley Dance	Hannah Running Club
Wednesday				
Thursday				AFC sports David
Friday	Hayley dance		Rugby	
			Wii
